

A.P.C.O. meeting 12-13-02 Denver Police Department

Cindy Cline, President began the meeting at 1110 with introductions. There were 30 members in attendance.

Treasurer, Jim Bradley:

\$11,000 in both accounts as of 12-13-02.

The APCO/NENA accounts from the vendor show and Forum have been finalized.

We have no accounts payable, the chapter is owed some money from the training held in October.

FAC, Emery Reynolds:

There were several requests for changes, as well as applications that he has been working on. Emery gave a brief explanation of what he has been working on.

Executive Committee, Emery Reynolds:

The next Executive Committee meeting will be in Las Vegas in March in conjunction with the Western Regional. The budget, new Washington D.C. office and the PR firm will be discussed in March.

Cindy Cline, President:

The Vendor show and Forum were well attended and a big success.

2002 training tour with PSTC was not well attended and the chapter will make a very small profit off of this.

2003 meetings, there are still some dates that need a host. April 18th which is National Tele-communicator week. This is usually a luncheon provided as awards are handed out at that time for Supervisor, Tele-communicator, Center of the year, and Manager. May 30th, October 24th, as well as December 12th all need sites as well. All meetings start at 1000 and are held on Fridays.

The January meeting will be held at the State of Colorado EOC, at Camp George West. Go to the main State Police Academy entrance. Start is 1000.

2003 fundraiser: possibly a training class with Nancy Brady, she is a national trainer and has a variety of topics. Tentatively scheduled for April 3rd and 4th, the April 4th class will be sponsored by Jefferson County. A sponsor is needed for April 3rd, Contact Cindy Cline.

Membership: National is approaching in 2005 and it is important to get our membership numbers up so we can have a volunteer base. National A.P.C.O. refunds 20% of each membership back to the chapter; in 2002 this amount was over \$5000.

Microphone, John Kyler:

Advertisement revenue is still coming in from the December issue. There was discussion about moving the deadline to after the meetings but the deadline will stay before the meetings so members can be advised of the meetings times and locations.

2005 National, Alan Armitage, Chair:

A theme and logo is needed sometime in the spring to submit to national A.P.C.O. E-mail Cindy or Alan with your ideas.

Teri Thornberry gave a brief NENA report.

Cindy Cline swore in Barb Tuholski, President Elect.

The meeting was adjourned at 1200 for lunch and gift exchange. Lunch was sponsored by Positron.
