March/April/May/June

2007 Schedule

NEW TRAINING COURSES!!!

Fire Service Communications, First Edition **\$429/non-member**
member \$409/member

Just released, this totally new course provides comprehensive in-service training for fire service telecommunicators. Practical exercises throughout this interactive course support the knowledge gained in lecture and demonstration. Topics include an overview of firefighting and fire service apparatus & equipment, the role of the fire service telecommunicator, vital services of fire communications systems, understanding and responding to fire, technical rescue, HAZMAT & terrorism incidents and comprehensive NIMS/ICS training (meeting IS-100 and IS-700 training requirements). Students receive a comprehensive student manual. APCO Institute agency instructors who successfully complete this course can upgrade their Instructor Certificate to teach this dynamic course in-house or regionally for the cost of the course books only!!!

Classes starting: March 21, 2007; April 25, 2007; May 23, 2007; June 27, 2007

Fire Service Communications, First Edition Instructor **\$509/non-member**
member \$489/member

Successful completion of this course enables your agency instructors to instruct the new FSC, First Edition student course in-house or regionally, allowing for significant reduction in your new-hire and in-service training and travel costs. Participants receive a comprehensive FSC, First Edition Instructor Guide Package that includes instructional techniques for trainers, lesson plans, the student text, a student course PowerPoint presentation, games and puzzles, exercises, role-plays and training tips and guidelines.
